Quotable Quotes

Don't make lemonade with only lemons: No one will drink it. (Dilute and sweeten criticism; and the ratio of criticism to acknowledgement is 1 to 10).

God always says Yes: 3 ways:

Yes yes; Yes, but not yet,

And... I've got a better a idea.

"There is nowhere to go and nothing to get"

There is Now Here to go; and No-Thing to get (the sacred Nothing /Holy Space/ the Mother of God)

We all have "I" (ego) infections; chronic, usually terminal.

God works all things for the highest good for everyone all the time. Whether you Love Him or not! However, if You don't' love and trust Him... you will never see the ultimate good!

God draws straight with crooked lines...and we are the crooked lines...the very crooked lines.

Quotable Quotes

“Life is an echo: What you send out, you get back.
What you give, you receive.”

“When you bring out the best in others, you bring
out the best in yourself.” Rev. Michael Rhinehart

“Power is for Service, because God is Love.”

“Poder es server, porque Dios es Amor”

---Taken from chorus of a Mexican hymn

Nothing given to Love is ever, ever wasted. Never.
Anything given to Love is in safekeeping for all
eternities.

Do you want to see God? Look in the face of
others.

Give all of yourself and your sufferings to the God
who is ALL Love. And watch the miracles happen.

The Golden Rule of the Golden Key is this:

Think about God, And Nothing Else.

Quotable Quotes

True Dreams are True, whether they come true or not.

“Wherein did I cause this to happen?”

Lester Levinson

If it is Good, it is God. If it is God, it is Good.

We only have ONE Creator. That Creator is all Good. That Creator did NOT create Evil. Therefore, Evil does NOT truly exist. It lives only as a lie.

“The Context is Decisive”: You make your choices and then your choices make you. You locate yourself inside a context. Then the context creates you.
